SUMMARY

One-year experienced technical trainer with a passion for frontend development using React.js. Seeking a Frontend Developer position to apply HTML, CSS, Tailwind CSS, JavaScript, and React.js skills to create engaging web applications. Committed to delivering high-quality code and staying current with industry trends to drive innovation and user satisfaction.

EXPERIENCE

Technical Trainer

PrabaZone Computer Institute

Madurai, TamilNadu

- Successfully taught **HTML, CSS, JavaScript**, React.js, Tailwind CSS and Programming languages to a diverse group of students, ensuring effective knowledge transfer and skill development.
- Developed comprehensive lesson plans and learning materials to facilitate the learning process and cater to different learning styles.
- Conducted hands-on coding exercises and projects to enhance practical skills and encourage creativity among students.

PROJECTS

TO-DO LIST APP🔗

- Developed a to-do list application using **React.js**, demonstrating proficiency in front-end web development and the React framework.
- Designed a user interface that enables users to add, edit, and delete tasks dynamically.
- Implemented the browser's **web storage APIs** to store task data persistently, providing users with continuous access to their to-do lists, even when closing and reopening the application.

RANDOM MEME GENERATOR APP🔗

- Developed a web application using React.js to generate random memes for users, providing entertainment and humor.
- Utilized React.js to build the frontend interface, incorporating state management and component-based architecture.
- Integrated a **meme API** to fetch and display random memes, enhancing the app's functionality and content.
- Conducted extensive testing to ensure the stability and reliability of the meme generation process, guaranteeing an enjoyable and smooth user experience.

PERSONAL PORTFOLIO🔗

- I designed a personalized portfolio website using **React** and **Tailwind CSS** to showcase my skills, achievements, and experiences.
- This dynamic platform offers an interactive journey through my professional and educational background.
- With a sleek and **user-friendly interface**, visitors can explore my projects, view my resume, and connect with me.

EDUCATION

Bachelor of Mechanical Engineering

University College Of Engineering(BIT Campus)

Cumulative GPA : 7.73

(2018 - 2022)

Trichy, Tamil Nadu
